## VIVID

VIVID are a leading provider of affordable homes and housing-related services in the South of England. Awarded the Housing Association of the Year at the national WhatHouse? Awards in 2019, they recognise that having a place to call home, to suit our needs and circumstances, is vital to everyone's wellbeing. Services provided by VIVID include money advice and benefits, wellbeing support, digital support, and employment and training.

## HOMEGROUP

Home Group is one of the biggest housing associations in the UK. We are also one of the UK's largest providers of new homes and houses for affordable rent. In addition, we provide long term integrated housing, health and social care.

## BH Live

We are a leisure and cultural trust, established in 2010 as a 'non profit distributing organisation' (NPDO) for public benefit to promote participation in leisure and culture. BH Live is both a company limited by guarantee and a registered charity. We contribute to the health, wellbeing, cultural and economic prosperity of our local community, businesses and visitors through the provision and promotion of award winning facilities and services.

## Radian

Radian is a social landlord who with our partner Yarlington Housing has 38,000 homes and assets across Southern England. More than just a social housing provider, we offer employment & training support to our residents as well as opportunities to work with us to improve our local communities.

## PCC

Employment, Learning and Skills at Portsmouth City Council. We provide a range of services, including employability skills and community learning. From gaining a CSCS card, paid employment and building your confidence, to family learning, Maths & English and IT skills. We will help you to develop yourself personally and professionally.

## COMMUNITY CONNECTOR SERVICE

The Community Connector Service is for adults - 18+ who can independently access the community and are experiencing loneliness/social isolation and want to get out in the community to engage more but lack the confidence to do so. The service supports the client to make goals that will get them 'back out' into the community ie, groups, learning ops, using public transport. We support them to overcome their barriers which could be lack of confidence, anxiety, and depression etc.

## RANT MUSIC PROJECT-YOUTH & COMMUNITY

Providing music based activities for young people from across the city ages between 12-19 for FREE

## PORTSMOUTH CARERS

Portsmouth Carers Centre provides information and advice for people who look after their family member or a friend in unpaid capacity. We start with a conversation to understand person's situation and help them to work out what type of support might help. Carers often find it useful to get information and advice, support to have a break, plan for emergency or just to have a listening ear.

## TWO-YEAR-OLD CHILDCARE FUNDING

Early Education funding for two, three- and four-year olds can support children to access high quality childcare. It can also support parents looking to return to work or increase working hours with their childcare costs.

## HANTS FIRE AND RESCUE

General Fire safety, risk reduction and evacuation plan advice. We can also offer home assessment visits and provide smoke detectors where appropriate free of charge. Other services such as STEER Courses (Safety Through Education and Exercise for Resilience)

## HIGHBURY COLLEGE

Highbury's Community courses and training are fun and flexible, open to individuals and groups. Offering a range of courses, accredited and non-accredited, running throughout the year, cameras and photography, computing and IT, creative crafts, cooking and skills for life and work. The courses are fun, and the majority are FREE.

## HOMESTART PORTSMOUTH

Recruiting for volunteers for the project we deliver in the city - home visiting, Family Hub Stay and Play groups, Portsmouth Parent Board. Promoting our services that families could have direct access to - school readiness, Stay and Play timetables, Parenting Support project (a parenting course alongside a home visiting volunteer)

## SOLENT MIND

A place that is open, inclusive, and accessible to everyone, with a particular welcome for our armed forces community. Where no appointment is needed. A place offering professional help and support. Where you won't be judged. Where you'll meet people who have lived your experience and know how you feel. Where you are safe, heard and able to take that first optimistic step towards hope and a brighter future.

## WEA

The WEA has been providing high-quality educational opportunities to communities since 1903. We are based at the Omega Centre Southsea and other venues around the City. We are student focused and aim to deliver courses that the local community want and need. We have IT courses, Art & Crafts, Confidence Building, ESOL, Literacy, Maths and much more ....
